Butler County, PA

Connecting Law Enforcement and Communities

Staying in touch with the citizens you protect is imperative. Appriss Safety partners with law enforcement agencies nationwide to provide citizens with timely access to important safety information in their communities.

MobilePatrol offers a powerful suite of communication tools, at no cost to law enforcement.

Booking Information - Allow users to view recent offenders booked into your facility.

Safety Alerts - Send alerts for most wanted lists, sex offenders, missing persons, and more.

Crime Tips & Reporting - Citizens can report crime tips and sightings of wanted individuals to you.

Updates - Share critical news and monitor community engagement with a customized control panel.

Social Media - Integrate with Facebook and Twitter, so you only have to publish news once.
